

## SOCIAL SAILING

---

On Friday evenings from May to September, all Members are invited to attend what is generally known as Social Sailing. This is the evening when non-members are invited to the Club to see what sailing and RGYC is all about (do you know someone who might like to give it a go?). As well as introducing potential Members to the pleasures of sailing, we also help new boat owning and non-boat owning Members to broaden their experience with a view to gaining their Piper Helmsman's Certificate. It is also an excellent way to get to know others in the Club. Therefore, even if you are a non-sailing Member, come along, sit in the sun on the balcony, have a drink or a meal, watch the activity on the water and enjoy the crack!

### ADULT SAIL TRAINING ASSISTANCE

It is hoped that owners and helmsmen will come on as many Friday evenings as possible. Grateful thanks to last year's regulars, who it is hoped will support us again. We look forward to welcoming other boat owners and helmsmen and we can recommend the pleasures of Friday 'Social Sailing' to both sailing and non-sailing Members.
