

# RGYC Corporate Sailing Days

A unique experience for your staff or clients

Royal Gourock Yacht Club Corporate Sailing Days are just that little bit different. Each event is built around a series of short yacht races in the club's fleet of Piper yachts. These yachts take 3-4 people, are safe and stable, are ideal for beginners, yet can provide a real challenge for experienced crews. Using a range of sail sizes we configure the boats to suit your requirements and the weather conditions of the day.
