

Sailing instruction amendment for Flying Fifteens

I have had a request by several members to run a start for the Flying Fifteen class on Tuesday evenings following the restricted handicap class. This will hopefully encourage some new members to the club.

Attached the sailing instruction amendment for the Flying Fifteens. I have allocated them pennant 3 flag. A copy will be placed on the notice board.

I have also updated the start sequence table.

Copies will be made available on the platform for the race committees.
