7. HEALTH AND SAFETY REQUIREMENTS

Participants in the Discover Sailing Programme must

A) Purchase and wear:

(i) a lifejacket (not a buoyancy aid). It is the participant's responsibility to ensure the lifejacket is serviced in accordance with the manufacturer's instructions. (For his/her first two lessons RGYC may be able to loan participants a life jacket.)

(ii) Warm wet-weather clothing.

B) Pay attention to safety briefings provided by the organisers or helm before every outing. Watch how experienced sailors get on and off the launch. When boarding and when on the launch comply with all the boatman's instructions. Remain seated until instructed to move. Do not attempt to board or disembark from the launch without the boatman's authority.

C) On the sailing boat, always hold on with at least one hand even in calm conditions. (Passing ferries create waves which can take you by surprise). D) Be aware of ropes and other hazards on the decks and avoid getting your feet tangled up in ropes.

E) Always keep your head below the level of the boom, to avoid being hit.

F) Tell the skipper if you are uncomfortable, unwell, or cold.

G) The skipper will go over what to do if anyone falls in the water. Make sure you understand what to do (whether you are in the water or on the boat).

H) The helm is in command of the boat, and you must follow his/her instructions.
